Rainbow Night

Tonight is all about all the colors of a rainbow! Since clubbers do not know what team (color) they are on yet, tonight, we say “Wear them all!” The more colors, the better! Earn AWANA bucks and team points for each color you have on! Head to toes – who will wear the most?? Clubbers will find out their team color when they leave tonight.

September 21

AWANA Team Spirit Night

Now that you know what color team you are on – you need to wear your AWANA team color tonight (Red, Blue, Green or Yellow). Head to toe – the more the better! Earn points for your team and AWANA bucks for each item worn with your team color!

Doubles Night

Now that we’re a few weeks into the new AWANA year, find a friend (or two), and come dressed as a double tonight. How closely can you “match” one another? See what else may be doubled tonight! Earn AWANA bucks and team points for participating in tonight’s theme.

Remember to bring your AWANA book and Bible and to wear your AWANA uniform every week!
